

LDE Thesis Labs 25/26

Program 'The Future of Repair'

Program	Date + Location	Content
#0 Online Meeting	<u>Thursday, Jan 22</u> 12:00 - 13:00 Online	We organize a short get together with your lab team and the academic coordinator. You meet the other students and can ask questions about your thesis assignment and lab program.
#1 Kick-off	<u>Wednesday, Feb 4</u> 13:30 - 18:30 Leiden University, Van Steenis	You will get to know the other students, coordinators and case holder(s) of your Lab. Then it's time for some action! We will train your systems thinking skills through the interactive EnROADS Climate Simulator game . We finish the day with drinks.
#2 Enrichment Session	<u>Thursday, Feb 19</u> 13:00 - 16:00 Decathlon NL Grootvenstraat 8, Tilburg 13:00 - 15:00 site visit 15:00 - 16:00 peer2peer	<i>Design for Repair: From Fixophobia to Fixability</i> – How do we design products that are easier to repair? Site visit with Nico Werkman, Repair Leader Decathlon NL
#3 Enrichment Session	<u>Thursday, Mar 5</u> 14:00 - 17:00 Remake Society, Rotterdam 14:00 - 16:00 site visit 16:00 - 17:00 peer2peer session	<i>Economy & History: Why Repair Disappeared and How to Bring It Back</i> – Which economic and historical factors have led to our throwaway society, and how can we restore a culture of repair?
#4 Enrichment Session	<u>Thursday, Mar 19</u> 13:00 - 16:00 (with drinks after) Provincie Zuid-Holland, Den Haag 13:00 - 14:00 peer2peer 14:00 - 16:00 site visit 16:00 drinks	<i>Legal Frameworks & Innovation: Right to Repair Reality</i> – The legal framework for repair is taking shape, but what does this actually mean in practice?
#5 Pressure Cooker Day: LEGO	<u>Wednesday, Apr 1</u> 9:00 - 17:00 Leiden University, Van Steenis	It's time creatively explore your knowledge on the challenge of your lab in a creative way! Today we will use LEGO® SERIOUS PLAY® to explore the whole system, create an envisioned future related to the lab challenge, and identify new directions of innovations. You will share your ideas with the other labs. Questions for the upcoming Round table session will emerge.
#6 Round Table	<u>Thursday, Apr 16</u> 9:30 - 12:30 Lunch: 12:30 Leiden University, Einsteinweg 2, Leiden	Halfway through the program, we have an elaborate discussion with the case holders and invited experts. In a round table or panel discussion, you can share your ideas and questions with the case holders, and vice versa.
#7 Bootcamp Day: 21st Century Skills	<u>Wednesday, Apr 29</u> 9:00 - 17:00 TU Delft, room TBD	This workshop introduces you to essential 21st Century skills . You will practice critical reflection and learn how to communicate your ideas creatively and effectively to your target audience. Along the way, you will also take a moment to explore your own personal values and the role you want to play in the world; what do you want to stand for, and how does that shape the impact you want to make? Skills for your Lab and for your Life! ;)
#8 Enrichment Session	<u>Tuesday, May 12</u> 14:00 - 17:00 PostNL Innovatielab, Den Haag 14:00 - 15:00 peer2peer 15:00 - 17:00 site visit	<i>Urban Infrastructure, Logistics and Technology</i> – How do we design logistical and infrastructural systems that make repair feasible at the neighbourhood or city level and provide access to the required parts? What role can technology play in this?
#9 Enrichment Session	<u>Thursday, May 28</u> 14:00 - 17:00 Stunt NL, Delft 14 peer2peer 15 - 17 site visit	<i>Behavioural Change & Consumer Psychology: From Throwaway to Take Care</i> – How do we facilitate a mental shift from discarding to careful consumption and ownership?
#10 Prepare for the Final Event	<u>Wednesday, Jun 10</u> 9:00 - 17:00 Erasmus University Rotterdam, room TBD	All labs come together to prepare for their end events. You will put together your final individual and shared (interdisciplinary) products. You'll also focus on crafting critical questions to fuel meaningful discussions during the end event. Together with your fellow lab students, you will ensure everything is ready for a spectacular final event!
#11 Final Event	<u>Friday, July 3</u> 9:30 - 11:30 De Her, Rotterdam	<i>The Council of Repair – The Object's Perspective and Master's Thesis Insights</i>
